Ingredient Benefits

Micromulse® LB

- Forms transparent Micellar Oils
- Extremely mild formulation – suitable for sensitive skin
- Moisturises - leaving skin clean and not stripped of oil
- Versatile – can be used with different oils
- Luxurious texture – suitable for rinse off applications
- Excellent cleanser - make up is removed easily
- COSMOS approved
- NATRUE approved

Method

- Combine components of Phase A in a beaker and components of Phase B in a separate beaker.
- Transfer Phase A onto an overhead mixer and stir for a minute, then start adding Phase B slowly in portions, allowing oil to be incorporated fully before adding more.
- When all the oil has been added, homogenise for a minute. Bubbles in the formulation will take several days to clear.
