Ingredient Benefits

Elastoblur®

- Natural mattifying & blurring ingredient
- Gives skin a 'soft focus' finish and fills wrinkles
- Alternative to synthetic powders and silicones
- Smooth, matte finish on the skin
- Vegan and COSMOS Approved

Instathix®

- 4-in-1 multi-functional ingredient - stabiliser, thickener, texture enhancer or as the sole emulsifying system
- Creates luxurious cream / gel translucent textures
- Satin matt appearance, mimicking silicone elastomer feel – can replace synthetic emulsifiers / polymers
- Can be used as an additive to enhance silky feel of creams

Adapt the Formula

- Add pigments for colour correction/skin tint application.
- Change the actives for different benefits.
- Change out oils for different benefits.
