

COSMOS APPROVED INGREDIENTS FOR PERSONAL CARE

MULTIFUNCTIONAL ANTI-AGING ACTIVES

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Agen Canola Oil, Malus Domestica Fruit Extract & Zingiber Officinale Extract	Natural active which uses an epigenetic mechanism of action and is composed of the synergistic combination of apple extract and supercritical ginger extract.	✓	✓	✓
Arct'Alg SC Chondrus crispus extract	Natural peptide derived from arctic algae. Stimulates epidermal cells to provide better hydration and protection against environmental factors. Provides plumping effect and skin soothing. Suitable for premium skincare & body care applications.	✓	✓	
Ecoffea® Water & Glycerine & Coffea Arabica (Coffee) Seed Cake Extract	Eco-friendly extract of green organic coffee seed cake & a by-product from the production of green coffee oil.	✓	✓	
Ectoin® natural Ectoin	Powerful natural stress-protection molecule, a so called "extremolyte". This multifunctional active ingredient is able to prevent cell damage and inflammation caused by all sorts of stress factors, thereby preserving the skin's beauty and health. Ectoin® utilizes a scientific and comprehensive approach to efficient anti-aging and skin protection by repairing and improving damaged, aged, stressed and irritated skin.	✓	✓	✓
Exfo-Bio Water & Glycerin & Spondias Mombin Pulp Extract & Magnifera Indica Pulp Extract & Musa Sapientum Pulp Extract	Active ingredient based on tropical fruits, rich in carbohydrates and AHAs.	✓	✓	
Fision™ Instant Lift Water & Hydrolyzed Soy Protein & Acacia Senegal Gum & Xanthan Gum	Natural active with excellent and immediate firming and anti-wrinkle effects on the skin.	✓	✓	✓
Glycoin® natural Glyceryl Glucoside	Protective and re-activating substance of the Resurrection plant Myrothamnus flabellifolia, which can be found in the deserts of southern Africa. Resurrection plants have the unique and fascinating ability to survive for long periods without a single drop of water. During this time, the resurrection plant totally desiccates. Then the leaves of the plant shrink, appearing withered and dead. But appearances are deceptive; every time, as soon as the rains start, the plant comes back to life. It miraculously re-greens within a few hours.	✓	✓	✓
Meadowestolide® Meadowfoam Estolide	Derivative of Meadowfoam Seed Oil with excellent hair and skin conditioning benefits. For skincare, it serves as a bioactive ceramide analogue, delivering excellent hydration.	✓	✓	✓
NaturePep® Pea Pisum Sativum Extract	Natural multi-functional skin correcting peptide.	✓	✓	✓
NaturePep® Sacha Inchi Hydrolyzed Plukenetia Volubilis Seed Extract	A vegetable derived peptide which increases dermal density, thus improving facial contour and reducing skin sagginess and wrinkles.	✓	✓	✓
Pantrofina® OLV Olea Europaea (Olive) Oil Unsaponifiables	Botanical active derived from Mediterranean Olive Oil. Rich in squalene and vegetable sterols: stigmasterol and campesterol. It activates the skin metabolism, increasing the levels of new collagen. Its non-greasy, soft and silky touch makes it an excellent vegetable active ingredient for emulsions, creams, gels and oils. Suitable for anti-aging, sun care and make-up applications.		✓	
Revinage® WPO Astrocaryum Murumuru Seed Butter & Bidens Pilosa Extract & Gossypium Herbaceum (Cotton) Seed Oil & Linum Usitatissimum (Linseed) Seed Oil	Retinoid-like natural extract. Super critical fluid apolar extract of Bidens pilosa. Reduces wrinkles, improves skin elasticity.	✓	✓	✓

UNDER EYE ACTIVES

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Bioskinup Contour 3R Water & Glycerin & Caprylyl/Capryl Glucoside & Pfaffia Paniculata Root Extract & Ptychopetalum Olacoides Bark/Stem Extract & Lilium Candidum Flower Extract	Treats under-eye bags & puffiness.	✓	✓	
NaturePep® Quinoa Chenopodium Quinoa Seed Extract	Dual action natural peptide from the ancient grain, Quinoa. Visibly reduces under eye bags & puffiness whilst reducing eyelid creases & folds.	✓	✓	✓

ANTI-POLLUTION ACTIVES

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Ecophysalis Water & Glycerin & Physalis Angulata Extract	Activates the natural anti-oxidant defence system of the skin after sun stress. Improves the brightness and evenness of skin tone, whilst reducing discomfort after sun exposure.	✓	✓	
Entadine® Entada Phaseoloides Bark/Seed Extract	Anti-photoaging active based on extract of tropical vine seeds & bark. Provides first defence against UV damage and keeps the skin's immune system healthy, reducing UV induced inflammation.	✓	✓	
Melscreen® Buriti FG Mauritia Flexuosa Oil	Oil extracted from Buriti pulp rich in carotenoids and tocopherols. Increases the elasticity and decreases dryness on solar exposed skins.	✓	✓	✓
Pantrofina® Skin 360 Diglycerin & Pinus Pinaster Extract	Botanical active for anti-pollution skincare. Protects, soothes and revitalises the skin. Delivers antioxidant and soothing anti-pollution effects and reduces the signs of ageing. Also offers moisturising, sebum regulation & anti-acne effects.	✓	✓	✓
Physavie® Caprylic/Capric Triglyceride & Physalis Angulata Extract & Tocopherol	Corticoid-like anti-thermal ageing and collagen repair active. Extract of Physalis sp. provides protection against Infra-Red, collagen repair.	✓	✓	
Phytovie® Defense Brassica Campestris/Aleurites Fordi Oil Copolymer	Natural skincare active for protection against environmental pollutants and irritants.	✓	✓	✓
Redivine Grape leaf extract	Extracted from red vine leaves, Redivine has been designed for protecting skin against both environmental and indoor pollution.	✓	✓	
TRiglyphix® Sense Hordeum Vulgare Seed Extract	Botanically-based active designed to quell the discomfort and redness associated with skin irritation.	✓	✓	✓

SLIMMING ACTIVES

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Slimagine Palmaria palmata extract	Slimming active with anti yo-yo effect. Reduces the storage of body fat. Natural active derived from algae.	✓	✓	

MILD SURFACTANTS

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Bergasoft CG 50 MB Coco Glucoside	Mild non-ionic surfactant, derived from natural feedstock, biodegradable. Cold processable and suitable for clear formulations.	✓	✓	
Bergasoft DG 50 MB Decyl Glucoside	Mild non-ionic surfactant, derived from natural feedstock, biodegradable. Cold processable and suitable for clear formulations.	✓	✓	
Bergasoft LG 50 MB Lauryl Glucoside	Mild non-ionic surfactant, derived from natural feedstock, biodegradable. Cold processable and suitable for clear formulations.	✓	✓	
Chemysap S 3R W Sodium astrocaryum murumurate	Saponified murumuru butter recommended for liquid and bar soaps. Gentle surfactant which improves the creaminess of the foam while providing smoothness for the skin.	✓	✓	✓

SOLUBILISERS

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Resassol Apostrophie Caprylyl/Capryl Glucoside & Aqua & Polyglyceryl-3 Cocoate & Polyglyceryl-10 Laurate & Citric Acid	100% natural solubiliser, suitable for a wide range of applications.		✓	
Resassol DN Diglycerin	A naturally derived humectant with exceptional water retention properties.		✓	✓
Resassol Ultimate Caprylyl/Capryl Glucoside, Water, Polyglyceryl-10 Laurate, Babassu Oil Polyglyceryl-4 Esters & Citric Acid	A non-ionic PEG-free and natural solubiliser. It is pH independent and allows the incorporation of perfumery compositions and essential oils in aqueous systems.		✓	
Resassol VPF Polyglyceryl-4 Caprylate, DecylGlucoside, Sodium Lauroyl Glutamate & Diglycerin & Aqua	PEG-free, Ecocert and Natrue certified solubiliser, ideal for toiletries and personal care applications. Cold process and mild, with no impact on fragrance.		✓	

HAIRCARE SPECIALITIES

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Activeshine Amazon 3R Orbignya Speciosa (Babassu Palm) Kernel Oil & Astrocaryum Murumuru (Palm) Seed Butter	Natural sensory modifier for haircare. A vegetable alternative to silicon. Composition of triacylglycerols from Brazilian Rainforest palms.	✓	✓	✓
Amino Rice Z NPNF Rice Amino Acids	Strong anti-irritant properties that help to soothe and hydrate the skin. Increased moisture content in hair results in better flexibility and tensile strength of the hair fibre.	✓	✓	✓
Capalgin® Chondrus Crispus Extract	Anti-hair loss active. Stimulates the cells of the scalp epidermis to promote hair growth and increases density of hairs.	✓	✓	
Fision KeraVeg18 Wheat Amino Acids, Soy Amino Acids, Arginine HCl, Serine & Threonine	Contains wheat amino acids and soy amino acids, in addition to three individual amino acids; arginine, serine and threonine. Increases hair strength. Makes hair look shinier & healthier. A vegetable alternative to animal keratin.	✓	✓	✓
HempTein Z NPNF® Hydrolyzed Hemp Seed Protein	Natural, sustainable protein sourced from recycled hemp seed biomass. Water soluble and highly versatile in formulations. Beneficial to both hair strength and skin homeostasis.	✓	✓	✓
Keraplant Z NPNF® Hydrolyzed Wheat Protein, Hydrolyzed Soy Protein & Hydrolyzed Corn Protein	Vegan keratin for multi-cultural haircare.	✓	✓	✓
Meadowlactone® Meadowfoam Delta-Lactone	Derivative of Meadowfoam Seed Oil offering significant hair hydration and conditioning.	✓	✓	✓
NaturePep® Amaranth Water & Amaranthus Caudatus Seed Extract	Natural plant peptide from the ancient grain, Amaranth. Hair thickening properties as well as adding gloss and shine for healthier looking hair.	✓	✓	✓
Tricorexina Hydro Tussilago Farfara (Coltsfoot) Flower/Leaf Extract, Achillea Millefolium Extract & Cinchona Succirubra Bark Extract	Hair care active, comprised of water-soluble plant extracts, that aids in the promotion of hair growth.		✓	✓

PROTEINS FOR HAIRCARE & SKINCARE

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Amino Soy NPNF™ Soy Amino Acids	Can bind water in the areas that need it most, which leads to smooth, nourished skin.	✓	✓	✓
Amino Wheat NPNF™ Wheat Amino Acids	Can penetrate skin and hair. Has great anti-irritation properties and can improve hairs flexibility, strength, shine and manageability.	✓	✓	✓
Baobab Tein NPNF™ Hydrolysed Adansonia Digitata Seed Protein	Substantiated multi-functional natural active for hair care. Proven to repair damage caused by heat, UV exposure and relaxing treatments. Natural, sustainable & exotic source.	✓	✓	✓
BarlaTein NPNF™ Hydrolyzed Barley Protein	A protein hydrolyzate made from food-grade golden barley that is an effective moisturizer in both skin & hair with anti-irritation properties for sensitive skin.	✓	✓	✓
HempTein Z NPNF® Hydrolyzed Hemp Seed Protein	Natural, sustainable protein sourced from recycled hemp seed biomass. Water soluble and highly versatile in formulations. Beneficial to both hair strength and skin homeostasis.	✓	✓	✓
Keraplant Z NPNF® Hydrolyzed Wheat Protein, Hydrolyzed Soy Protein & Hydrolyzed Corn Protein	Vegan keratin for multi-cultural haircare.	✓	✓	✓
Quinoa Pro NPNF™ Hydrolysed Quinoa	Natural protein for hair colour retention, conditioning and protection. Quinoa is considered to be a complete protein, containing all eight essential amino acids.	✓	✓	✓
Rice Tein NPNF™ Hydrolysed Rice Protein	Proven to increase hair volume significantly, with increased improvements with repeated use. Can be used in shampoos, conditioners, styling products, hair masks and scalp treatments.	✓	✓	✓
Soy Tein NPNF™ Hydrolysed Soy Protein	High-quality, hydrolyzed soy protein. Creates a moisture retentive, protective, sealing film on skin and hair.	✓	✓	✓
Wheat Tein NPNF™ Hydrolysed Wheat Protein	An excellent film former, which adds natural shine and highlights to the hair.	✓	✓	✓

OIL THICKENERS & EMULSIFIERS

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Bergamuls ET1 Beta-Glucan & Pectin	Vegetable fibre compound for emulsifying, with thickening and moisturising properties.	✓	✓	✓
BergaSom Sun 75 Lecithin	Highly purified sunflower-based lecithin fraction for Personal Care formulations. Non-hydrogenated grade.	✓	✓	✓
BergaSom Sun 75H Lecithin	Highly purified sunflower-based lecithin fraction for Personal Care formulations. Hydrogenated grade.	✓	✓	✓
Emulpharma Coreosome Cetearyl Alcohol & Glyceryl Stearate & Sorbitan Stearate & Cetearyl Glucoside	100% natural and multifunctional O/W emulsifier, which produces highly stable emulsions by creating liquid crystal lamellar structures. Imparts long-lasting moisturisation efficacy.		✓	
Emulpharma® Eco10 Polyglyceryl-10 Laurate (HLB 18)	Cold process, non-ionic emulsifier. 100% vegetal origin (from renewable resources), ECOCERT certified (Cosmos), PEG-free & palm oil free. Delivers pleasant skin feel with excellent mildness, and ideal for low viscosity emulsions including sprayable products.	✓	✓	✓
Emulpharma® Ecotech Polyglyceryl-3 Cocoate	100% natural (Palm Oil Free Pending) and mild, cold process, non-ionic emulsifier. ECOCERT certified and PEG-free. Promotes liquid crystal structures and imparts a light, soft/dry feel to emulsions. Excellent compatibility with rheology modifiers. Ideal for challenging formulations such as low viscosity and hyperfluid emulsions. Oil-compatible promoter of oil blooming effects.	✓	✓	✓
Emulpharma PG20 Polyglyceryl-2 Diisostearate	Naturally derived, non-ionic W/O emulsifier obtained by esterification of fatty acids and polyglycerol 2. It is ideal for cold processing and for extremely light emulsions.		✓	✓
HIPEgel® Oleo C Glycerin & Coco-Caprylate/Caprate & Aqua & Sucrose Laurate & Sucrose Stearate	Used to create very high oil HIPEs (High Internal Phase Emulsions) easily, at room temperature.	✓	✓	
Sucragel® AOF Prunus Amygdalus Dulcis (Sweet Almond) Oil & Glycerin & Aqua & Sucrose Laurate	100% natural emulsifier & oil thickener. Perfect for clear gel-to-milk cleansers, and many other cosmetic formulations.	✓	✓	
Sucragel® AOF Bio Glycerin & Prunus Amygdalus Dulcis (Sweet Almond) Oil & Sucrose Laurate & Citrus Aurantium Dulcis (Orange) Fruit Water	100% natural emulsifier & oil thickener. Perfect for clear gel-to-milk cleansers, and many other cosmetic formulations. COSMOS certified organic.	✓	✓	
Sucragel® AP V2 Glycerin & Aqua & Sucrose Laurate & Alcohol & Sucrose Myristate	100% natural emulsifier & oil thickener. Perfect for clear gel-to-milk cleansers, and many other cosmetic formulations.	✓	✓	
Sucragel® CF Glycerin & Caprylic/Capric Triglycerides & Aqua & Sucrose Laurate	100% natural emulsifier & oil thickener. Perfect for clear gel-to-milk cleansers, and many other cosmetic formulations.	✓	✓	
Sucragel® XL Glycerin & Caprylic/Capric Triglyceride & Aqua & Sucrose Laurate & Sucrose Stearate	100% natural emulsifier & oil thickener. Supplied as an easy-to-use liquid, and perfect for clear gel-to-milk cleansers, and many other cosmetic formulations.	✓	✓	
Sucramulse Pro Sucrose Stearate & Sucrose Tristearate	100% natural, PEG-free emulsifier based on sugar chemistry. Supplied as easy-to-use ivory solid pellets. Gives a range of lovely textures depending on the usage level.	✓	✓	
Sapogel Q Glycerin & Aqua & Quillaja Saponaria Wood Extract & Saponaria Officinalis (Soapwort) Leaf/Root Extract	Oil-gelling agent for leave-on and rinse-off applications, delivering excellent skin feel.	✓	✓	✓
Thixcin® R PC Trihydroxystearin	Rheological modifier for non-aqueous phase.	✓	✓	✓

EMOLLIENTS, OILS & BUTTERS

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
BergaCare FG Olive Hydrogenated Ethylhexyl Olivat & Hydrogenated Olive Oil Unsaponifiables	Natural alternative to silicones in skin care preparations.	✓	✓	
BergaCare SB Butyrospermum Parkii (Shea) Butter	Excellent moisturiser for restoring the elasticity of the skin, with high content of unsaponifiables. Superior healing properties and skin nourishing properties.	✓	✓	✓
BR Forest Astrocaryum Murumuru Seed Butter	A natural butter made from kernals harvested from the Astrocaryum Murumuru palm tree. Acts as a great emollient, as well as providing a barrier to the skin to prevent water loss. It's ethically sourced and comes from a reliable supply chain.	✓	✓	✓
Chemeforest Cupuaçu FG Theobroma Grandiflorum Seed Butter	A natural butter extracted from Cupuaçu kernels. Acts as a great emollient, facilitating the natural humidity and elasticity mainly in dry skin.	✓	✓	✓
Fancor® Abyssinian Oil Crambe Abyssinica Seed Oil	Natural oil which provides excellent lustre and emollient feeling to haircare formulations. Efficient pigment wetting and elegant skin feel.	✓	✓	✓
Fancor® Meadowfoam Seed Oil Limnanthes Alba (Meadowfoam) Seed Oil	Natural oil which provides excellent lustre and emollient feeling to haircare formulations. Good pigment wetting and excellent skin moisturisation.	✓	✓	✓
Fision® EcoLatum S Ricinus Communis Seed Oil & Hydrogenated Castor Oil& Copernicia Cerifera Wax	A natural alternative to petrolatum for use in skin care applications. Unlike petrolatum, this product is naturally derived, sustainable and delivers skin nourishing benefits.	✓	✓	✓
Fision® EcoSil Hydrogenated Ethylhexyl Olivat & Hydrogenated Olive Oil Unsaponifiables	A naturally derived silicone alternative, which delivers skin nourishing benefits. Contains olive oil unsaponifiables, skin conditioning phyto compounds (Squalene, phytosterols and antioxidants).	✓	✓	✓
Resplanta® Phyto Almond MB Almond Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. Can enhance a wide range of formulations by delivering the attributes of Almond Oil. Perfect for use in aqueous formulations to transform the product performance. In cleansing products it enhances oil-removing properties without breaking the foam.	✓	✓	
Resplanta® Phyto Babassu MB Babassu Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Babassu oil into formulations. Soluble in water up to 15% and rich in short chain fatty acids, offering cleansing and light, non-greasy emolliency.	✓	✓	
Resplanta® Phyto Broccoli MB Brassica Oleracea Italica Seed Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Broccoli Oil into formulations.	✓	✓	
Resplanta® Phyto Camelina MB Camelina Sativa Seed Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Camelina Oil into formulations.	✓	✓	
Resplanta® Phyto Linseed MB Linseed Oil Polyglyceryl-4Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Linseed Oil into formulations.	✓	✓	
Resplanta® Phyto Macadamia MB Macadamia Seed Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Macadamia Oil into formulations. In cleansing products it enhances oil-removing properties without breaking the foam.	✓	✓	
Resplanta® Phyto Olive MB Olive Oil Polyglyceryl-4 Ester	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Olive oil into formulations. Soluble in water up to 15% and rich in Oleic Acid (omega-9)	✓	✓	
Resplanta® Phyto Pomegranate MB Punica Granatum Seed Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of pomegranate seed oil into formulations.	✓	✓	
Resplanta® Phyto Pumpkin MB Pumpkin Seed Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Pumpkin seed oil into formulations.	✓	✓	
Resplanta® Phyto Safflower MB Safflower Seed Oil Polyglyceryl-4 Esters	Biodegradable, easy-to-use water soluble vegetable oil. A non-ionic water-soluble ingredient that allows incorporation of Safflower Oil into formulations.	✓	✓	

RHEOLOGY MODIFIERS

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Bentone Hydroclay 550 Magnesium Aluminium Silicate	Low viscosity, high stability rheology modifier. Perfect for serums, primers and face masks.	✓	✓	✓
Bentone® Hydroclay 1100 Magnesium Aluminium Silicate	Natural rheology modifier which is light in colour and provides good thixotropic rheology and suspension. It has superior rheological properties compared to other magnesium aluminum silicate products. Imparts silky touch and soft focus, blurring effect on skin upon application.	✓	✓	✓
Bentone® Hydroclay 2000 Hectorite	Unique organoclay for thickening aqueous phase, enhanced emulsion stability, thermal stability, better suspension capacity, thixotropic flow and electrolyte tolerance. Offers enhanced suspension and viscosity in formulations where suspension is more important.	✓	✓	✓
Clearthix S Cellulose Gum & Algin	Versatile, cost effective, transparent water thickener based on Cellulose and Alginate.	✓	✓	✓
Sucraclear HC-31 Cellulose Gum & Chondrus Crispus Powder (Carrageenan) & Ceratonia Siliqua Gum & Sucrose	100% natural blend of gums, used for thickening the water phase.	✓	✓	✓
Sucrathix VX Microcrystalline Cellulose & Cellulose Gum & Xanthan Gum	100% natural water thickener. Can also improve heat stability.	✓	✓	✓
Thixcin® R PC Trihydroxystearin	Rheological modifier for non-aqueous phase.	✓	✓	✓

WAXES

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
White Beeswax Cera Alba	High binding strength and plasticity, relatively low melting point and highly occlusive character. Improves the structure and firmness of stick formulations while helping with mould release and pay-off. Excellent co-emulsifier, contributing to skin feel, emolliency, barrier function and appearance.		✓	✓
Yellow Beeswax Cera Alba	High binding strength and plasticity, relatively low melting point and highly occlusive character. Improves the structure and firmness of stick formulations while helping with mould release and pay-off. Excellent co-emulsifier, contributing to skin feel, emolliency, barrier function and appearance.		✓	✓

READY-TO-USE OILY GEL BASES

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Sucrabase C Caprylic/Capric Triglycerides & Glycerin & Aqua & Sucrose Laurate & Sucrose Stearate	100% natural ready-to-use clear oily gel base for a range of cosmetic applications. Very simple to use and acts as a fantastic base for an exfoliator. Crystal clear premium grade.	✓	✓	
Sucrabase SF Helianthus Annuus (Sunflower) Seed Oil & Glycerin & Prunus Amygdalus Dulcis (Sweet Almond) Oil & Sucrose Laurate & Aqua & Sucrose Stearate	98.3% organically certified and 100% natural ready-to-use clear oily gel base for a range of cosmetic applications. Very simple to use and acts as a fantastic base for an exfoliator.	✓	✓	
Sucrabase SF Bio Helianthus Annuus (Sunflower) Seed Oil & Glycerin & Prunus Amygdalus Dulcis (Sweet Almond) Oil & Sucrose Laurate & Citrus Aurantium Dulcis (Orange) Fruit Water & Sucrose Stearate	100% natural ready-to-use clear oily gel base for a range of cosmetic applications. Very simple to use and acts as a fantastic base for an exfoliator. COSMOS certified organic.	✓	✓	

ANTI-MICROBIALS

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
HebeatoI Plus Deo Xilityl Sesquicaprylate	Naturally self-preserving agent suitable for haircare and skincare formulations.	✓	✓	

ODOUR ELIMINATORS

PRODUCT NAME	BENEFITS	VEGAN	NON-GMO	PALM OIL FREE
Polyfix ZRC 25 MB Aqua & Zinc Ricinoleate & Tetrasodium Glutamate Diacetate & Propanediol	A water soluble zinc ricinoleate complex (ZnRi-Complex) based on zinc ricinoleate activated by an eco-friendly chelating agent. Capable of binding odour-forming nucleophilic molecules. They will be fixed by re-complexation and cannot be released back into the atmosphere even by heating.	✓	✓	

All of the ingredients shown here are COSMOS approved, and the list is ever growing.
