Economic Policy

This policy forms a sub-section of Cousins Group (Contractors) Ltd Sustainability Policy.

It is the policy of Cousins Group (Contractors) Ltd to trade profitably and with integrity in order to provide high quality services.

In order to achieve this, Cousins Group (Contractors) Ltd has set the following key objectives:

- To source customers with requirements that our skills can meet, and who are able to pay for the delivery of those services.
- To operate within the legal framework for tendering and delivering services.
- To meet tax and banking obligations.
- To pay suppliers and sub-contractors fairly and promptly.
- To employ local personnel where the necessary skills are available.
- To improve the living and working environment for our customers.
- To provide training to improve skills.
- To develop suitable financial objectives and targets.
- To provide a Safe and Healthy environment for our workforce.
- To minimise waste of resources, financial, time and material.
- To ensure that economic responsibilities are defined, communicated and understood at all levels within our organisation through robust procedures.
- To strive for continual improvement in overall performance

This policy is subject to periodic review and is available to the public and upon request to interested 3rd parties via the Cousins Group (Contractors) Ltd web site.

We will report annually in accordance with the requirements of the Companies Act 2006, and UK Generally Accepted Accounting Practice Standards.
