Love the earth

The EcoSense Collection introduces a revolutionary line of carpets crafted exclusively from 100% recycled polyester or 100% recycled polypropylene yarn, sourced from our state-of-the-art Regency Carpets manufacturing facility. These carpets redefine elegance and sophistication, seamlessly merging style with the latest trendsetting colours, making them a perfect fit for any room.

Discover two exquisite options within the Enchantment range: Elite and Lux. These carpets are meticulously designed to elevate any space. With a selection of weights and widths available in both 4 and 5 meters, you have the freedom to choose the perfect fit for your space.

Avondale, a standout range in our collection, offers a wide array of plain and heather variations. Featuring a robust 2-ply yarn construction, it strikes the perfect balance between style and eco-consciousness. This collection is not only stunning but also practical, as it is bleach cleanable and moth proof.

The EcoSense Collection proudly stands as the premier choice for individuals seeking a carpet that is both environmentally conscious and performance-driven. Made using 100% recycled yarn that doesn't compromise on quality or performance.
