First choice flooring for every room

Vinyl and LVT Care

Our vinyl and LVT

Once properly laid, looking after your vinyl or LVT flooring will help it have a long life, adding real style to your home.

Our flooring is designed to be easy to maintain, and there are some straightforward things you can do to help:

Use entrance mats – at front and back doors, these can reduce the amount of dirt by up to 70%. This also helps to protect the highest-traffic areas.

Protect high traffic areas – these are the places that flooring often gets damaged. Using mats or rugs can help to extend the life of your laminate flooring.

Sweep or dry mop regularly – remove water or spills as soon as they occur, you're giving your flooring the TLC it needs to give you a lasting life.

Use non-abrasive cleaners – to preserve the finished effect of your flooring, use a neutral PH floor cleaner or just mop with warm water. Cleaning kits available from our accessory list.

Lift, don't drag furniture – it will cause unnecessary damage.

TOP TIPS

Lift furniture
and do not
drag

Avoid rubber
or latex backed
mats

Use entrance
mats at front and
back doors, these
can reduce the
amount of dirt by
up to 70%

Wipe up spills
immediately to
minimise the risk
of stains

Sweep or
dry mop
regularly

Do not use
scourers or
abrasive scrubbers
to clean your
floor
