RUTLAND

RUTLAND GUTTER SUPPLY is family owned and operated. Our manufacturing facility is based in Orlando Florida. We have over 40 years experience in the construction and sheet metal fabrication business. We own and operate some of the most modern CNC machinery available, from computerized roll forming machines to our latest acquisition a 4" round seamless pipe machine, which produces fully, welded seamless pipe. Fully automated, this machine is the only one of its kind in the USA.

Our products can be fabricated in Mill Finish Aluminum, Zinc, Lead Coated Copper, Stainless Steel, Copper, Galvanized and Galvalume.

We stock the largest selection of custom gutter components from hangers to pipe and leader heads.

Our latest line of products are custom hand made 48oz fully welded kitchen hoods with hand finished designs from the unique Billiard light with the great wall of China meandering around all sides, to the Rocky Mountains scene with horses and log cabin. We are able to hand craft any view or scene of your choice on to the hoods, as these are custom pieces. They are 8 to 10 weeks lead time, all other products are from stock.

Installed Copper Chimney Caps - CC001

Standing seam panels

Handmade copper tiles

Patina standing copper seam roofs with 6" half round copper gutter

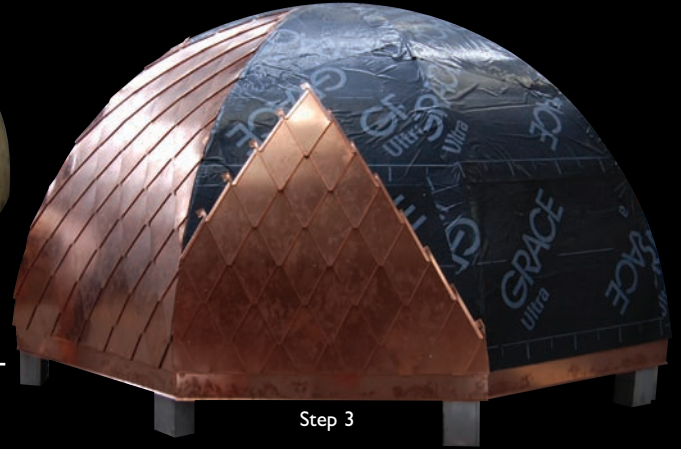

Standing seam tower

Step 1

Step 2

Step 3

The construction of a dome roof as shown in three stages.

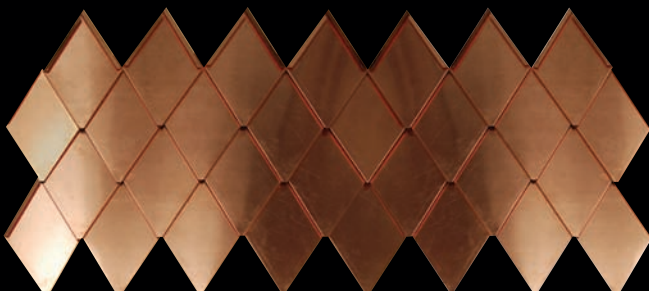

Custom dome roof with 36" copper pineapple. Dome is fabricated in 48 oz copper fully welded. Installed on a project in Antigua.

Custom dome roof fabricated in Antigua. Standing seam copper.

Custom dome fabricated in Antigua covered with copper diamond-shaped tiles as shown below

Handmade diamond pattern copper tiles (size of tile: 8"w x 14"h)

Copper tiles

Bermuda style copper panels on gazebo roof

CHIMNEY CAPS

Rutland offers a large selection of chimney caps, from a basic windscreen to an elaborate scroll design. All can be fabricated in copper, stainless steel, or lead coated copper. We also create custom designs to meet your needs.

GUTTERS

Rutland has the largest selection of half round gutters in the USA, with all the accessories to match. A variety of sizes are available from residential to the largest commercial designs. We can fabricate all materials (e.g. seamless stainless steel, painted aluminum, copper, etc.), and we offer complete installation of our products. Rutland has completed installations in theme parks, hotels and homes in Florida.
